

Dear Corryville Catholic School Community,

I feel extremely blessed to be joining Corryville Catholic School as your principal next school year. It is an honor to have been chosen and I am excited to lead a school with such a rich tradition and history. I toured the school a few weeks ago to meet the staff and students, and can clearly see that this is a thriving school.

I have been in education for 14 years. Most recently I served as the Assistant Principal of St. Clement School. I look forward to sharing my faith, knowledge, experiences, and passion with the students, families, faculty and staff of Corryville.

Along with my passion for helping all students excel, I cherish time spent with my family. My husband, Joe, and I are raising our three children in St. Bernard, Ohio, not far from Corryville. Caitlyn, 15, is finishing up her sophomore year at St. Ursula Academy. Jack and Joseph attend St. Clement School and will be entering 7th and 3rd grade next year. One of our favorite family traditions is to travel to National Parks, with some of our favorites being Yellowstone and The Grand Canyon.

It is my deep belief that all students can be successful and deserve a learning environment that sets them up for success. One of my favorite quotes is "You did not wake up today to be mediocre, go be phenomenal!" I can't wait to meet all of you and be a part of your child's phenomenal educational career at Corryville Catholic!

Peace and Blessings,

*Mrs. Lauren Clements*
